Rep. Summerfield Appointed Chair of Housing and Real Estate Committee
Looks Forward to Tackling Housing Shortage

Madison – Rep. Rob Summerfield (R-Bloomer) was recently appointed chairman of the Assembly Committee on Housing and Real Estate. Following his appointment, Rep. Summerfield issued the following statement:

“I am honored to have been recently appointed to lead the State Assembly’s Committee on Housing and Real Estate. I have been working on housing issues for some time now, and it is an issue area that I am passionate about. For instance, I collaborated with Governor Walker back in 2018 to create a low-income housing tax credit program, and I am currently authoring a bill to create a state workforce housing tax credit to help address Wisconsin’s workforce housing shortage. I am looking forward to this new opportunity and building on the progress our state has made thus far.”
