DEAN R. HAEN
DIRECTOR

East Landfill Receives Platinum Achievement Award

FOR IMMEDIATE RELEASE

May 24, 2019

(Green Bay, WI) The [Brown County Solid Waste](#)-East Landfill has received the [Platinum Industrial Achievement Award](#) from [NEW Water](#) for meeting and exceeding the requirements for its pretreatment program, as well as federal, state and local wastewater discharge standards and requirements.

“We take our responsibility to our customers, the public and the environment seriously; which is why we focus on meeting or exceeding solid waste management and regulatory standards,” said [Chad Doverspike](#), Operations Manager at Brown County Port and Resource Recovery Department. “It’s nice to be recognized for that commitment.”

NEW Water awards Industrial Achievement Awards to significant industrial users that demonstrate exceptional pretreatment performance. The three levels of achievements, silver, gold and platinum, recognizes requirements met within the last calendar year. It is the fifth consecutive year that the East Landfill has received the award.

“Once again, the East Landfill met our standards for pollution prevention,” said [Tom Sigmund, P.E.](#), NEW Water Executive Director. “Brown County Solid Waste has done an excellent job meeting the wastewater discharge limits and requirements and we applaud them for not only their effort, but for the results of that effort.”

#

[Brown County Resource Recovery](#): The purpose of the Brown County Port & Resource Recovery Department is to meet the solid waste disposal needs of local communities and businesses through methods which are environmentally sound and economical.
