RIVERWAY BOARD TO HOST CANOE TRIPS

MUSCODA.....The Lower Wisconsin State Riverway Board will sponsor a series of canoe outings on the Wisconsin River in late June and July. The large voyageur replica canoes commissioned by the State of Wisconsin in conjunction with the sesquicentennial in 1998 will be used for the trips that will explore different segments of the river from Prairie du Sac to Boscobel. Seating is limited to 14 persons for each excursion and reservations are required. A waiting list will be developed in case of cancellations. The excursions will be led by Mark Cupp, Riverway Board Executive Director. Water levels and weather permitting, a sandbar stop will be included in each trip. Participants should bring their own beverages, food, sunscreen and bug spray. No glass containers are allowed. Lifejackets and paddles will be provided but participants are welcome to bring their own personal flotation device. Cupp noted small groups may sign-up for the trips but should do so early to assure adequate space is available. Additional information may be found on the Riverway Board website at <http://lwr.state.wi.us> or the board's Facebook page www.facebook.com/LWSRB.
