“We are proud to congratulate all of the award winners for their success this year.” said Jim Sable, Executive Director of the WISHSCTL, “They have really worked hard to get where they are, and we look forward to seeing them at the State Tournament in a few days.”

Upon completion of the Spring League, all student athletes are invited to participate in individual and team competitions at the 2017 State Tournament. The event is scheduled for June 10th at the WTA Shooting Complex in Rome, WI.

The Wisconsin State High School Clay Target League is an affiliate of the [USA High School Clay Target League](#), a 501(c)(3) non-profit organization. The League is an independent provider of shooting sports as an extracurricular co-ed and adaptive activity for high schools and students in grades 6 through 12. The organization's priorities are safety, fun, and marksmanship – in that order. Each student is required to pass a comprehensive firearm safety education course prior to participation.

Nationwide, over 20,000 students representing over 600 school-approved teams participated in the League during the 2016-17 school year.
