Pocan Endorses State Rep. Sody Pope

Madison – Rep. Mark Pocan today endorsed State Representative Sody Pope (D-Verona) for reelection in Wisconsin's 80th District. Pope is serving in her 7th term in the State Assembly and is the Ranking Member Chair of the Assembly Committee on Education.

"I have had the great privilege to work side by side with Sody Pope for over a decade," said Pocan. "Her expertise in so many areas – particularly in education – serve the residents of her district and our state well. She's a progressive fighter for the values I also believe in, and I know we would all benefit from her continued representation in the legislature."
