MILWAUKEE COUNTY EXECUTIVE CHRIS ABELE CONGRATULATES DR. ELLEN J. CENSKY

Censky was named President and CEO of Milwaukee Public Museum after a nationwide search.

“I’m excited to hear that Milwaukee Public has chosen Dr. Ellen J. Censky to lead one of Milwaukee’s beloved cultural institutions. Ellen has proven that she is a visionary leader who can take MPM to new heights in its critical time in our history. Her career trajectory as the first female President and CEO in MPM’s 137-year history is inspiring to all of us.”
