Representative Zimmerman Supports Passing of the REINS Act

Madison, WI Rep. Shannon Zimmerman (R-River Falls) is pleased to support AB 42, also known as the REINS Act. The REINS Act will give Wisconsinites greater input in the development and implementation of the regulations that will impact the quality of life of Wisconsinites and the use of your precious tax dollars. The passage of the REINS Act will make Wisconsin the first state in the nation providing regulatory transparency and oversight necessary to reduce burdensome red tape in government.

“We must work diligently to reform government and limit the ability of unelected bureaucrats from passing regulations which are out of touch with the needs of Wisconsin,” said Rep. Zimmerman.

Rep. Zimmerman has made Education and Workforce a top priority during his term. “By managing taxpayer money more effectively, we can better support Education which can help us address the growing workforce challenge that is impacting our great State”, said Zimmerman.
