Rep. Kurtz's Statement on Governor Evers Action on State Budget

MADISON – Representative Tony Kurtz (R-Wonewoc) released the following statement about the biennial budget bill that Governor Evers signed into law today.

“The Republican led legislature sent Governor Evers a reasonable, responsible, and realistic state budget. It invested in the state’s priorities while also making a historic tax cut. I am proud of the budget we sent to the Governor and I am glad the Governor did the right thing and signed our budget. The budget that was signed into law is a stark contrast of the budget Governor Evers proposed a few months ago with over \$1 billion in new tax increases. This bipartisan bill shows the work the legislature did to listen to the people. I’m glad the Governor listened too.”
