## **Gov. Evers Releases Statement on Wisconsin Supreme Court Ruling**

MADISON — Gov. Tony Evers released the following statement in response to today's Wisconsin Supreme Court ruling:

“The People’s Budget made historic investments in better roads, better schools, and better healthcare, but clearly Republicans will continue doing whatever they can to prevent us from doing good work for Wisconsinites.

“Today’s ruling departs from decades of precedent and only creates chaos and confusion. As I said yesterday, we’re not going to let folks who are bitter about an election that happened nearly two years ago stop us from getting things done for the people of our state.”
