WISCONSIN YOUNG REPUBLICANS ENDORSE KORY BOONE FOR NATIONAL YOUNG REPUBLICAN CHAIRMAN

MILWAUKEE- The Wisconsin Young Republicans (WIYR) proudly endorsed Kory Boone as their choice for the next Chairman of the Young Republican National Federation (YRNF). The election will take place at the biennial YRNF Convention, from August 2nd-6th in Annapolis, MD.

"Wisconsinites know what it takes to build a successful political organization. Since Governor Scott Walker's 2012 recall election, we have campaigned aggressively at all levels. In 2016, we turned Wisconsin red in a presidential election for the first time since 1984. That didn't just happen overnight: it's the result of building a successful ground game, sound campaign strategy, and developing coalitions that work toward our shared goals. Kory has shown all those qualities in his campaign for YRNF Chairman through his successful tenure as leader of the Maryland Young Republicans," said Wisconsin Chairman Jacob Margis.

Margis continued: "The YRNF should operate according to the same Conservative principles we Republicans campaign on, so that means good stewardship of the YRNF funds. The majority of the dollars we raise can be used to elect Republicans in Federal, state, and local elections. Kory understands this and has built a strong slate, including our WIYRs National Committeewoman, Lindsay Muenchow, that will make the YRNF an effective organization once again."

Boone responded: "I'm thankful for the Wisconsin Young Republicans endorsement. They are a growing, strong group of conservatives who are making a real impact in Wisconsin. Jake Margis has done an excellent job rebuilding the organization, and I'm honored Lindsay Muenchow joined our team to make a difference."
