Green Bay, Door County and Eau Claire first three stops in venture capital report tour

MADISON, Wis. – Learn more about the state of angel and venture capital investments in Wisconsin and meet the director of the Tech Council Investor Networks July 26, 27 and 28 in Green Bay, Door County’s Egg Harbor and Eau Claire, respectively.

Those locations are the first three of seven in the Wisconsin Technology Council’s “Wisconsin Portfolio” tour, where participants can meet Investor Networks director **Joe Kremer**, hear a breakdown of Wisconsin’s early stage deals in 2020, and network with a happy hour to follow each presentation.
