AFT-Wisconsin Announces Endorsement for U.S. Senator Tammy Baldwin at Green Bay Event

“Tammy Baldwin always puts Wisconsin working families first. She stands up to powerful special interests and we’re proud to stand with her.”

GREEN BAY — AFT-Wisconsin today announced the endorsement of U.S. Senator Tammy Baldwin at a joint event in Green Bay.

“On behalf of the thousands of AFT-Wisconsin members across the state, we are excited to endorse U.S. Senator Tammy Baldwin in her campaign for reelection this year. Tammy Baldwin always puts Wisconsin working families first. She stands up to powerful special interests and we’re proud to stand with her,” **said Kim Kohlhaas, AFT-Wisconsin President.** “Following today’s event, AFT-Wisconsin members will engage in a statewide grassroots organizing effort to help Tammy Baldwin overcome the more than \$11 million already spent by corporate special interests to replace her with a bought-and-paid-for politician.”

“Across Wisconsin, workers represented by AFT-Wisconsin educate our students and work tirelessly to strengthen Wisconsin families and communities,” **said U.S. Senator Tammy Baldwin.** “I couldn’t have better partners as we push to build an economy that works for all, not just the powerful in Washington,”

Tammy Baldwin is the top target of outside spending, as powerful special interests have already spent over \$11 million to beat her. At the event in Green Bay today, AFT-Wisconsin kicked off a statewide organizing effort that will last through election day to engage with union members and their communities to educate and turn out voters.

AFT-Wisconsin is endorsing Tammy Baldwin because she is a relentless champion for our union's principles of economic opportunity for all, high-quality public education, affordable healthcare and strong public services for students, their families and our communities.

AFT-Wisconsin represents professional public employees in the state of Wisconsin who are committed to advancing these principles through community engagement, organizing, collective bargaining and political activism, and especially through the work our members do.
