## **Rohrkaste Receives WISCA Legislator of the Year Award**

**Madison, WI** – Yesterday, State Representative Mike Rohrkaste (R-Neenah) received the Association of Wisconsin Surgery Centers (WISCA) Legislator of the Year award. The award is given to a state legislator who supports and advocates for policies supporting ambulatory surgery centers (ASCs) in Wisconsin.

“I am honored to be named the recipient of this award,” said Rep. Rohrkaste. “This session, I had the privilege of working closely with members of WISCA to pass meaningful legislation. Their tireless work supporting this legislation and providing high-quality health care to Wisconsinites led to positive changes in state law.”

Rep. Rohrkaste worked with WISCA to pass legislation which creates an annual ASC report on the ASC assessment program. This report will provide important information to the legislature and WISCA members regarding the ASC assessment. The report will also help to create greater certainty and transparency for ASCs in the future.
