ICYMI: Scott Walker Rides Across Wisconsin Touring Local Businesses

Motorcycle ride joins 80 veterans, supporters, and friends

[Madison, Wis.] – Joined by over 80 veterans, supporters and friends, Scott Walker rode across the state to visit hard-working families and small businesses to show how Wisconsin is working and highlight his agenda to help Wisconsin win the 21st century.

With more people working than ever before, unemployment that hit a record low this year, and business investment returning to the state, Wisconsin's comeback is strong. From Appleton to Eau Claire and Onalaska to Mineral Point, Scott Walker's annual motorcycle ride showed firsthand the positive changes Wisconsin's comeback is making to towns and local communities.

WKOW 27

Every year, Governor Scott Walker takes a motorcycle ride around Wisconsin. On Sunday he made a stop at David Raey's Modern Diner and Tavern in Onalaska.

The tour gives Walker, and a group of riders, a two-day journey through the various landscapes found in the Dairy State.

Walker spends the trip on his own Harley Davidson, a Wisconsin born motorcycle manufacturer...

For safety reasons they do limit the number of motorcycles on the tour. If you're interested in joining next year contact the office of Governor Walker for more information.
