MPA-LLC Calls for TRIFECTA Pandemic Delta Safety after NBA Championship

MILWAUKEE, WI – Milwaukee Professionals Association LLC [sounds the alarm](#) for responsible leadership from Governor Tony Evers (state-level), County Executive David Crowley (county-level), Mayor Tom Barrett, and Common Council (city-level), elected members of government in Wisconsin for the city of Milwaukee – 96.8 square miles.

Additionally, given the 20,000-65,000 visit to the DEER DISTRICT in Milwaukee, WI of individuals from all parts unknown and unknown vaccinations at the National Basketball Association championship – Milwaukee Bucks and Phoenix Suns, immediate responsible engagement of partnership led by President Peter Feigin, Milwaukee Bucks and NBA Commissioner Adam Silver, given the decision to have the event without warnings, admonitions, postings, massive vaccination spots, advertisement, jumbotron viewing, and engagement of wearing a MASK, distancing and use of sanitizing in the middle of the COVID-19 PANDEMIC and the known surge of the DELTA Variant. Milwaukee has a 30% vaccination level in African American zip codes.

“MPA-LLC requests one-on-one ‘community-level’ engagement with all 15 districts – neighborhood level integrity - of dialog and solutions in PREPARATION before, during and long-term for the strong possibility in 2-3 weeks of a high infection rate surge of the Delta Variant. It’s American Rescue Infrastructure transformation time. It’s high-speed internet time. It’s Vaccination time. Let’s GO.”, said Mary Glass, Chief Visionary Officer, MPA-LLC.

MPA-LLC is an independent Milwaukee-based firm for public policy that place African Americans, other People of Color, Homeless, and Work Challenged Milwaukeeans at the forefront.
