Statement from Dana Wachs on Governor Walker's Appearance in Eau Claire

"I'd like to thank Governor Walker for his invitation to join him in Eau Claire today. As Eau Claire continues to see a boom in development and growth, I think it's the perfect place to celebrate thousands of new jobs potentially coming to Wisconsin.

"While I am out of town and unable to accept the Governor's invitation today, I will continue to be a watchdog over taxpayer dollars committed to this project, ensuring that any money spent goes to creating safe and quality Wisconsin jobs. It is my hope that Wisconsin's working families will reap the benefits of these new jobs."
