Speaker Vos Statement on Election Rulings

Madison...Speaker Robin Vos (R-Rochester) has released the following statement on the election rulings from U.S. District Judge James Peterson.

“This is a liberal judge’s attempt to undermine our elections less than four months out. It’s also an obvious attempt to usurp the power of the legislature. I’m confident that they will be reinstated upon appeal. The measures did not disenfranchise voters; they protected the integrity of our elections and people’s right to vote.”
