## **Evers Campaign Releases Second TV Ad, “Best”**

Names Walker as the most “anti-education governor” in Wisconsin history

MADISON – With just under a week and a half before the primary election on August 14, Tony for Wisconsin is releasing its latest TV ad, “Best.” Evers has led every single poll since January and most recently was shown having strong leads over both incumbent Governor Scott Walker and the entire Democratic primary field.

The ad begins with Evers talking about his own inspiration for Wisconsin’s future, “I’ve always believed that what’s best for our kids, is what’s best for our state. That’s why I got into teaching.” Evers goes on to say that Scott Walker is “the most anti-education governor our state has ever seen.” He ends the ad by promising, “I’ll never play politics with our kids or their schools, because their future is Wisconsin’s future.”
