Grothman Endorsed by National Right to Life

(Fond du Lac, WI) – Congressman Glenn Grothman (R-Glenbeulah) this week was endorsed in his bid for reelection to Congress by the National Right to Life Committee (NRLC). NRLC is the country’s oldest pro-life organization with over 3,000 local chapters in all 50 states. Congressman Grothman has a perfect 100% pro-life score from NRLC.

“It is an honor to be endorsed by the National Right to Life Committee. NRLC has a great history of standing up to pro-abortion activists and speaking for the millions of voiceless infants who deserve a chance at living a full, joyous life. I will continue my mission to defend life and look forward to building on my record in Congress of pro-life, pro-women’s health policies.”
