***North Central States Regional Council of Carpenters and Eau Claire Local Union 1074 endorse Steve Boe for State Senate***

The North Central States Regional Council of Carpenters and Eau Claire Local 1074 is proud to endorse Steve Boe's campaign for Wisconsin's 31<sup>st</sup> Senate District. Steve Boe has distinguished himself as the candidate who shares the values of hardworking construction workers in Wisconsin.

We can trust Steve to stand with the working men and women of Wisconsin. He will advocate for real investment in our state's failing infrastructure and will support our public schools, especially in our State's rural areas.

"It is time to elect fresh leadership and a new voice that will value the highly trained, productive construction workers who work hard every day to build Wisconsin," stated Jody Thorgerson, President of Carpenters Local Union 1074. "Steve Boe is the new leader with the right perspective for working families in Western Wisconsin."
