WISCONSIN STATE SENATOR

FOR IMMEDIATE RELEASE

August 8, 2019

Statement on Committee Action

State Senator Jerry Petrowski (*R-Marathon*) released the following statement following votes to recommend confirmation of two cabinet secretaries in the State Senate Committee on Transportation, Veterans, and Military Affairs:

“I have great confidence in the abilities of the two Secretaries we voted to recommend for confirmation this morning. They have both demonstrated great professionalism in directing their respective agencies over the last seven months, and I look forward to continuing to work with both of them.

While transportation has been a somewhat contentious issue over the last few years, I have known Craig Thompson for nearly two decades and have every confidence in his ability to effectively manage the department and maintain our transportation infrastructure.”
