Proposed 10 Acre Sandy Knoll County Park Dog Exercise Area

Public Input Meetings will be held on August 12th and 15th at Sandy Knoll

West Bend, WI - The Washington County Park and Trail System announced a proposal for a new 10 acre fenced in dog exercise area at Sandy Knoll County Park in the Town of Trenton, WI. This will be the second dog park in Washington County Park System, with the first being Homestead Howl Dog Park which was installed last year in the Village of Germantown.

“We’re excited to add another dog park to provide more options to the eastside of West Bend, Trenton, and Newburg area,” said Eric Hyde, Parks and Trails Manager. “This dog park is being funded entirely from local sponsors and donations from folks who made the optional donation when purchasing park passes for a new dog park.”
