Census Data has Finally Been Released

Madison...Speaker Robin Vos (R-Rochester) released the following statement now that the census data has been released.

“I’m glad the Biden Administration has finally gotten the data to us after dragging their feet for months. Soon we will begin the robust map drawing process and I’m confident we will draw a map that the governor will sign.

“Today, the legislature announced a [website](#) for the public to participate in the map drawing process. Any Wisconsin resident can submit a statewide map, regional plan, or community of interest to the legislature. Submission dates are September 1, 2021 to October 15, 2021.”
