SUBJECT: General School Aid Changes, 2010-11 to 2015-16

At your request, I am providing information on the general school aid changes for school districts from 2010-11 to 2015-16.

The attachment to this memorandum shows the 2010-11 and 2015-16 net general aid payments to the indicated district. Also shown is the 2015-16 change to the 2010-11 payment in dollar and percentage terms. Payments for both years are based on the October 15 aid run that districts use to set their levy under revenue limits. The attachment shows only the payment from the main general aid appropriation, which funds equalization, integration, and special adjustment aid. High poverty aid, which is also a general aid, is paid from a separate appropriation and is not included in the attachment.

I hope this information is helpful. Please contact me if you have additional questions.
