## **KAPUR & ASSOCIATES, CONSULTING ENGINEERS HIRES JEFF STONE**

Milwaukee, WI – Kapur & Associates, Inc. (Kapur) is excited to announce Jeff Stone, former State Representative, is joining our firm as a transportation strategist and infrastructure consultant.

### **BIO FOR JEFF STONE**

Jeff served on the Greenfield City Council from 1994 until his election to the Wisconsin State Assembly in 1998. Throughout his 15+ years of service to the Assembly, Jeff was often viewed as a representative willing to cross the aisle to get things done. He was a dedicated proponent for transportation related projects, as well as an advocate for its proper funding. During his tenure in the Assembly he served as Chair of the Transportation Committee and the Highway Safety Committee. Later Stone served as a Member of the Joint Committee on Finance where he led efforts to form the Southeast Regional Transportation Authority with the goal of establishing the KRM Commuter Rail Line from Kenosha to Milwaukee. He also led statewide legislative committees studying transportation finance as well as the Governor's Special Committee on Airport Finance.

After serving in the legislature, Jeff was appointed Administrator for the Division of Water, Compliance, and Consumer Affairs at the Wisconsin Public Service Commission. In this role Jeff was delegated commission authority for approval of construction authorizations and rates for over 500 water utilities across the state. He also oversaw the team charged with investigation and resolution of consumer complaints regarding all electric, water and gas utilities in the state.

Jeff will be aiding in public relations and public involvement with Kapur while he remains active in transportation committees and boards throughout the State of Wisconsin.
