## **Rep. Steineke Push for I-41 Improvements Heard by Governor**

MADISON – Assembly Majority Leader Jim Steineke (R-Kaukauna) released the following statement in response to Governor Walker’s calling on the Department of Transportation to evaluate expanding the Interstate 41 Corridor in the Fox Valley between Appleton and DePere:

“I am gratified to see the Governor’s sense of urgency in this incredibly important project for the Fox Valley. Working with my colleagues in the legislature, I am happy to see Governor Walker also recognizing the need for I-41 to expand in order to fit the growing needs of our thriving communities. I look forward to continuing this important work for Fox Valley families and businesses.”
