**VIDEOS: Former Walker Cabinet Secretary Speaks Out Against Walker Administration
Mismanagement**

On Monday, the Tony Evers campaign released a new [ad](#) featuring former Walker cabinet secretary Peter Bildsten speaking out against Walker's record of his putting special interest campaign donors ahead of the people of Wisconsin. Since then, the Evers campaign has released three behind-the-scenes videos from their interview with Bildsten.

In these videos, Bildsten speaks out on everything from Walker's [presidential aspirations](#), to his [mismanagement of the state's roads and infrastructure](#), to his [circumventing open records laws](#) by having officials avoid using their state phones and emails to communicate.

View these behind the scenes videos online [HERE](#), [HERE](#), and [HERE](#), and watch the ad [HERE](#).
