## Sen. Tiffany Statement on \$839M Obamacare Lawsuit Victory

MADISON, Wis. – Wisconsin State Senator Tom Tiffany (R-Hazelhurst) issued the following statement in response to last week’s U.S. District Court decision ordering the federal government to repay six states more than \$839 million:

“Last week’s decision shows yet another flaw in the Affordable Care Act which has been a disaster from the beginning. Besides the low enrollment, lost doctors, cancelled health care plans, ever rising premiums, and higher deductibles, the federal government has been illegally taxing states to help fund Obamacare.

“As a result of the lawsuit, an estimated \$88.9 million will be returned to Wisconsin taxpayers. I call on the federal government to let this decision stand and promptly return the illegally collected money back to the states.”
