

Senator Petrowski Statement on 7CD Race:

"First and foremost my thoughts and prayers are with Sean and Rachel Duffy and their family during this extremely difficult time. I wish them the best in what will be a very challenging time in their lives.

Over the past two days I have received hundreds of phone calls, texts and emails asking me to run for the 7th Congressional District Seat. The amount of support pouring in is both overwhelming and heartwarming. This is not a decision to take lightly, and I will be discussing options with my family over the next couple of weeks."
