UNITED STEELWORKERS DISTRICT 2 ENDORSES TOM PALZEWICZ

Steelworkers Union Says Palzewicz will be an advocate for the working class.

Brookfield, WI — Tom Palzewicz, candidate for the U.S. House of Representatives in Wisconsin's 5th district, today announced the endorsement of the United Steelworkers District 2.

"Tom Palzewicz has the leadership and experience needed to bring positive change to the hardworking people of Wisconsin's 5th District," said Michael Bolton, Director of USW District 2. "Tom has proven that he'll stand up for unions and the working class. We're excited to get Tom elected and look forward to working with him in Congress."

"The United Steelworkers represent workers across a wide spectrum of industries like healthcare, manufacturing, energy production, and so much more," said Palzewicz. "Hard working Americans like our Steelworkers deserve the right to organize in a union and collectively bargain with their employers and I'll fight to protect those rights in Congress."

Tom Palzewicz is a Navy veteran and business owner who is running to bring responsible and common-sense solutions to Congress so every American can achieve the American Dream. He is running against an incumbent who has been in office for 40 years. The general election will be held Tuesday, November 6, 2018.
