Rep. Kind's Statement on VA OIG Report on Tomah Dental Facility

La Crosse, WI – Yesterday, the VA Office of the Inspector General (OIG) released a report on their investigation into improper dental infection control practices at the Tomah VA Medical Center. Rep. Kind brought the issue to the attention to the VA OIG, which prompted this investigation and report. Below is Rep. Kind's statement:

"This report, which I requested from the VA Inspector General Office, shows that there is more work to be done to make sure the Tomah VA is giving our veterans the highest quality care. While I am pleased that Tomah VA officials have already taken steps to implement the recommended changes, we must keep working hard to ensure our veterans are getting the care and treatment that they need and have earned."
