Milwaukee Police Association Endorses Rob Hutton for Assembly

Brookfield, WI – The Milwaukee Police Association, the organization representing Milwaukee’s police officers, has endorsed Rob Hutton in his re-election bid for the State Assembly.

“We proudly endorse Rob Hutton because of his commitment to helping local law enforcement,” said Mike Crivello, President of the Milwaukee Police Association. “In his time in the State Assembly, he has worked closely with police agencies to ensure they have the resources to protect the public they are sworn to serve. Rob is dedicated to serving his community and is the best choice to continue representing the 13th Assembly District.”

“I couldn’t be more proud to receive the endorsement of the Milwaukee Police Association,” Hutton said. “Officers face incredible challenges and dangers on a daily basis and I’m grateful to all law enforcement for their service. As a lawmaker, it is my responsibility to work at the state level to help them be as effective as possible”
