Associated Builders and Contractors of Wisconsin recognizes Representative Rob Brooks for ‘Building Wisconsin.’

Madison, WI—Representative Rob Brooks (R-Saukville), for his leadership in supporting legislation that benefits Wisconsin’s construction industry, has been named a recipient of the 2018 “Building Wisconsin Award.”

During the 2017-2018 legislative session, Representative Rob Brooks cosponsored Senate Bill 3, which stipulated that government cannot prohibit or require Public Labor Agreements as conditions to win bids for public construction projects.

“It is an honor to be recognized for supporting pro-growth, common-sense legislation that reinforced free-market principles and reduced burdensome regulations,” said Representative Rob Brooks. “I am proud of the work Associated Builders and Contractors of Wisconsin is doing to grow the construction industry and look forward to working with them to bring more good-paying jobs to Wisconsin.”
