Rep. Craig Calls for Legislative Investigation of John Doe Conduct and Leaks

Madison, Wis. – In response to the potentially illegal leaks regarding the John Doe II investigation, Rep. Craig released the following statement:

"These leaks appear to be in direct defiance to the Wisconsin Supreme Court's order, the secrecy orders placed on John Doe investigations, and potentially state statutes governing the former Government Accountability Board and current Ethics and Elections Commissions. A special committee in the legislature with subpoena power should be empaneled to take sworn testimony by those involved in this investigation. Further, if it is found that individuals charged with the public trust have acted maliciously by intentionally releasing information in violation of state policy, then they should be punished to the fullest extent of the law."

Rep. Craig represents the 83rd Assembly District which is comprised of portions of Waukesha, Walworth, Racine and Milwaukee Counties.
