## Where Is Representative Robyn Vining?

**Wauwatosa** – Robyn Vining has been continuously hiding not only from addressing the most salient issues affecting our community but also from me as her opponent.

Whether it has been Robyn’s silence on violence in her own backyard, the now grave public safety concerns, or declining to have a debate to discuss any of these things. One thing has become very clear— Robyn Vining does not represent the values of the 14<sup>th</sup> Assembly District.

Recently, the Wauwatosa Chamber of Commerce attempted to reach Robyn Vining to schedule a candidate forum. She declined, expressing concerns for the forum being in person. The Chamber then offered a virtual forum alternative. Vining also declined this offer.

The people of Wauwatosa deserve decisive representation. Perhaps if we steal a play from Robyn’s playbook and invite the cast of *Parks and Rec* or other Hollywood elites, she would be willing to discuss and defend her positions— or lack thereof.

I intend to be the voice for the people of the 14<sup>th</sup> and fight for their families, values, and principles in Madison. I am working hard, daily listening to people in our district express their concerns, hopes, and fears. I look forward to participating in the Wauwatosa Chamber of Commerce candidate forum with or without my opponent in attendance.
