CLEAN WISCONSIN ACTION FUND ENDORSES LIZ SUMNER FOR STATE ASSEMBLY

CWAF protects Wisconsin's clean water and air and advocates for clean energy

FOX POINT - Liz Sumner, Democratic candidate for Wisconsin's 23rd Assembly District, today issued the following statement:

"When knocking on doors all across the district, I hear one common theme: people are concerned about the future of our natural environment. Not only is this important to them, it's important to me. I want to see our environment and our state's greatest assets, like Lake Michigan, protected not only for this generation, but for all generations yet to come. It's the right thing to do for the people of Wisconsin, and it's the right thing to do for our economy," said Sumner.

"Liz Sumner is the candidate who will work to restore common sense to protection of our natural resources. Liz knows that a healthy environment and a healthy economy go hand in hand," said Mark Redsten, Clean Wisconsin Action Fund Board member.

Liz Sumner is a resident of Fox Point, a small business owner, a current member of the Fox Point Village Board, mother of two young children, and is the Democrat running to represent the 23rd Assembly District in the general election on Tuesday, November 6, 2018.
