President Obama Endorses Kyle Whelton For State Senate

Sheboygan, WI – Today Kyle Whelton has received the endorsement of former President Barack Obama in his race for the 9th District State Senate.

“As a former state legislator himself, President Obama recognizes the importance of electing strong leaders at the state level,” said Whelton. “It is quite an honor to receive President Obama’s endorsement and know that he believes in our campaign and our fight to fully fund public education, expand access to quality, affordable healthcare, and grow Wisconsin’s middle class. This distinction will only fuel our fire to win and give the people of the 9th District the representation they deserve.”

As Obama told us in 2008, “We are the change we seek.” Let’s become the change we seek in Wisconsin.”
