Community Bond Sales Begin Wednesday, October 3

Mayor Soglin, City staff and other organizers will attend an informational meeting on City of Madison Community Bonds from 6:00-8:00 p.m. at Olbrich Gardens. From October 3 through October 9, residents can purchase the bonds through Neighborly Securities, in \$500 denominations, to support the future of the city.

The money invested will support the expansion of Olbrich Botanical Gardens. Funds will build dedicated education space and a bigger, more environmentally-friendly greenhouse.

Working alongside the capital campaign overseen by the Olbrich Botanical Society, this bond offering is another way to be a part of a facility that will serve all ages and demographics for years to come

Additional information on the meeting is available [here](#).
