Supreme Court Strikes Down Scott Walker's Voter Suppression Law

"The U.S. Supreme Court is correct in ruling that the ill-advised, voter suppressing photo ID law not be implemented weeks before Election Day," **said Phil Neuenfeldt, President of the Wisconsin AFL-CIO.** "Any other decision would have immediately disenfranchised voters in direct conflict with our constitution. While Scott Walker wanted to confuse voters and rig the electorate in his favor, the Supreme Court has sided with the people."

"This is a victory for democracy and a defeat for Scott Walker's shady brand of politics," **said Stephanie Bloomingdale, Secretary-Treasurer of the Wisconsin AFL-CIO.** "Gov. Walker's policies show a pattern of disrespect for citizen rights. Whether it is worker rights, voting rights or women's rights – Scott Walker is on the wrong side of history. Today's ruling reaffirms that Walker's out-of-touch, anti-democracy, anti-worker agenda is wrong for Wisconsin."
