Murphy Receives Technical Colleges Award

APPLETON, WI — On Friday, State Representative Dave Murphy (R–Greenville), chair of the Assembly Committee on Colleges and Universities, received the 2018 Legislative Leadership Award from the Wisconsin Technical College District Boards Association. The award recognizes Murphy for “leadership on behalf of Wisconsin Technical Colleges” and for “steadfast support of students, employers, and taxpayers through tireless efforts to promote strong and responsive technical colleges.”

Murphy, a longtime supporter of vocational education and Wisconsin’s technical colleges, accepted the award at Fox Valley Technical College in Appleton, stating, “I’m honored to be recognized for my dedication to advancing our technical colleges. Wisconsin has one of the strongest systems for technical education in the country. The quality of the Wisconsin Technical College System draws employers and businesses from all over the world and I’m proud to support it.”

In addition to chairing the Assembly Colleges and Universities Committee, which reviews legislation impacting Wisconsin’s technical colleges, Murphy introduced multiple proposals related to the Wisconsin Technical Colleges System this session.
