## **Speaker Vos Statement on Annual Fiscal Report** *Republicans have proven to be good stewards of taxpayer dollars.*

**Madison...**Assembly Speaker Robin Vos (R-Rochester) issued the following statement on the Annual Fiscal Report that shows Wisconsin ended the last fiscal year with a positive cash balance of \$516.9 million and is projected to end the biennium with a surplus.

“Republicans have proven to be good stewards of taxpayer dollars. We’ve managed the state’s finances with honest budgeting. We paid off the old bills left by the previous administration, returned surplus dollars to taxpayers and continue to save for a rainy day with the largest budget stabilization fund in state history.

“Today’s budget report shows we’re living within our means, finding efficiencies and eliminating waste. Thanks to our budget reforms and a growing state economy, I am confident that Wisconsin has even better days ahead.”
