Joe Biden Endorses Brad Pfaff for State Senate

ONALASKA, WI - Vice President Joe Biden announced he has endorsed Brad Pfaff (D-Onalaska) in his race for Wisconsin's 32nd Senate District. As a champion for family farmers, affordable health care and economic development for western Wisconsin communities, Brad Pfaff continues to build momentum in his run for State Senate.

"I am honored and humbled to have the support of Joe Biden as we work to support family farms, communities and working families," said Brad Pfaff. "From protecting coverage for people with pre-existing conditions and investing in local classrooms to ensuring our family farms can be successful, Joe Biden and I share many of the same values. His endorsement highlights the importance of this election here in western Wisconsin. Together, we're going to roll up our sleeves and get to work building a brighter future for our state."
