Laborers' Local 464 Applauds Dane County Executive Parisi's Leadership on Infrastructure

Madison – Laborers' Local 464 announced its support for Dane County Executive Joe Parisi's plan to increase investments in infrastructure in the upcoming 2019 Dane County Budget. The County Executive's plan includes \$27.7 million in the Dane County highway capital budget, \$22 million for brand new road projects, and \$20 million for the Dane County Regional Airport.

"On behalf of the nearly 2,000 members of Laborers' Local 464, I would like to applaud County Executive Parisi's leadership on making these necessary investments to Dane County's infrastructure," said James Foye, Business Manager of Laborers' Local 464.

"As Dane County's population growth continues to outpace the rest of the state, we need to upgrade our infrastructure to meet the needs of the County, and we have a highly trained workforce who are ready to get to work."

As the 2019 county budget works its way through the legislative process, Laborers' Local 464 encourages all members of the Dane County Board of Supervisors to support this infrastructure plan to help Dane County's economy continue to grow and for Dane County to continue to be a great place to live and work.
