**NextGen Wisconsin Statement on Scott Walker Campaigning with Donald Trump**

*Today, Scott Walker will campaign with Donald Trump in central Wisconsin. Yesterday, Walker released a [racist ad](#) that stigmatized DACA recipients. In response, NextGen Wisconsin State Youth Director George Olufosoye made the following statement:*

"Scott Walker has shown us where he stands, and it's not with the young people of this state. While he runs racist TV ads, he campaigns with a President who demonizes immigrants and is actively working to gut health care coverage for million of Americans. Young people see right through Walker's dog-whistle politics, and we're ready to elect Tony Evers because he will put the values of our generation ahead of appeasing Donald Trump and his hateful agenda."
