Rep. Pronschinske Bill Promotes Responsible Nutrition

MADISON – State Representative Treig Pronschinske (Mondovi) released the following statement following his bill to encourage healthier, more nutritious options for Wisconsinites using the FoodShare program, [AB 530](#), passing out of the Assembly Committee on Public Benefit Reform today on a 5-3 vote:

“We all know that incorporating balanced foods into every meal plays an important role in leading a happy, healthy life. As our state continues to follow an upward trend of unhealthy lifestyles and childhood obesity, my bill comes at a time when Wisconsin needs to see positive changes in our eating habits. This legislation will take a crucial step towards encouraging healthier, more nutritious options for our most vulnerable Wisconsinites. I look forward to seeing this important bill taken up on the Assembly floor.”
