## First Transportation Informational Hearing Set on WisDOT Budget Request

**Madison, WI** – Rep. Keith Ripp (R-Lodi), the Assembly Transportation Committee Chairman, released the following information concerning the transportation informational hearings on the 2017-19 Wisconsin Department of Transportation Biennial Budget Proposal:

The Assembly Transportation Committee will hold its first informational hearing on Tuesday, December 6, 2016 in the JFC hearing room, 412 East, beginning at 10:00 a.m.

“These hearings are a necessary first step for the legislature in understanding the lasting ramifications of the department’s budget request,” Rep. Ripp said. “Our final transportation budget must reflect long-term transportation needs for our state and local roadways, while also promoting safety and reliability. I appreciate the opportunity to hear from experts and stakeholders about how the current budget request interacts with these goals, and what we can do to best serve the people of Wisconsin.”

More details concerning this hearing will follow at a later date.
