## **Senator Ted Cruz Endorses Duey Stroebel for Re-election**

Cedarburg, WI - Today, US Senator Ted Cruz (R-Texas) endorsed State Senator Duey Stroebel (R-Cedarburg) for re-election.

"This spring I traveled the state with Senator Stroebel in support of the constitutional principles Wisconsinites hold so dear," said Cruz. "I'm proud to endorse Duey as he continues to fight for these same principles in the Wisconsin State Senate."

"I thank Senator Cruz for his support and his continued focus on conservative principles in Washington, DC," stated Stroebel. "As we move toward Election Day, it is imperative voters understand what is at stake this election. We need more common sense conservatives and citizen legislators in Madison and Washington. I hope I have earned the vote of my constituents and urge them to vote for Ron Johnson also."

Duey Stroebel represents the 20th Senate District which includes portions of Ozaukee, Washington, Fond du Lac, Sheboygan, and Calumet Counties.

Election Day is next Tuesday, November 8. In many cases, early in-person absentee voting ends Friday. Check <http://myvote.wi.gov> for more information on voter registration and documents required to vote.
