*We've got to protect Social Security, Medicare, and Medicaid from people like Paul Ryan. I think you've got an agenda that is going to make sense to working families and members of your community. Work hard and get elected - we need you here in the Congress." - **Senator Bernie Sanders***

"I am honored to have Senator Sanders' support. He is an invaluable partner in our fight to repeal and replace Paul Ryan and I am very grateful for his endorsement. Together, we'll fight for Medicare for All, an end to Citizens United, and a more just society for all of us. With his help, in one year's time, we're going to defeat Paul Ryan," said Bryce.
