Statement on the 14th District Canvass

Wauwatosa...Matt Adamczyk released the following statement regarding the completion of the canvass for the 14th Assembly District:

“I would like to begin by thanking all the people who supported me in my election for the 14th district, especially my family, friends and the voters. This was a very close election. The official canvass has been completed and my opponent, Robyn Vining, received more votes than I received. I do not plan to request a recount. I recently called Robyn to concede and wished her well.”
