Fox Cities Chamber and Regional Partnership urge Kimberly-Clark suppliers to contact legislators to support proposed legislation

APPLETON, Wis. (Nov. 19, 2018) – The following is a statement from Peter Thillman, vice president of economic development for the Fox Cities Chamber of Commerce/Fox Cities Regional Partnership:

"We encourage suppliers, those who do business with Kimberly-Clark and all those who will be impacted if the Cold Spring facility closes, to reach out to their legislators and rally them to support the proposed legislation for tax incentives to Kimberly-Clark. It is critical that we have enough representatives to support this proposed legislation because to lose the Cold Spring facility would be devastating to more than 230 companies within Kimberly-Clark's supply chain that account for \$56 million in annual sales statewide."
